In recent years, Club Med has gone through great changes to enhance the experience of couples travelling to our Resorts around the world.

Many of our Resorts now offer "adults only" Zen pool and relaxation areas, allowing couples and parents alike to relax in a environment created just for them. All of which are surrounded by long chairs and provide peace and intimacy especially for adults.

Club Med Cherating Beach, Malaysia has recently joined our growing number of Asia Resorts who have already adapted this amazing Zen pool area concept.
